SPECIAL SHAMPOO'S

VITAL SHAMPOO strengthens & revitalizes.

This highly concentrated shampoo uses a wide variety of natural ingredients and moisturizers which strengthen and revitalise damaged hair and create a healthy scalp.

The ingredients work together to help protect the hair from split ends and unsightly breakage. Our carefully combined ingredients remove dandruff naturally without the use of anti dandruff agents and can quickly improve various skin complaints including irritation

This shampoo can effectively be used for oily scalps and dry tips and is also designed to refresh dry hair.

VITAL SHAMPOO is a natural and effective shampoo which ensures strong, lustrous, healthy hair.

VITAL SHAMPOO for

- fine • normal • strong • dull hair
- oily scalp • dry ends
- dandruff and skin irritation.

SHINE SHAMPOO silky shine & volume.

This amazing shampoo uses a wide variety of natural nutrients and vitamins combined with selected high quality oils and plant extracts gathered from round the world. It encourages the hair to repair itself and helps keep the scalp stay healthy.

This outstanding shampoo can be used for all hair types. It makes the hair more natural whilst increasing volume and shine. It can retain this look throughout a hard working day by protecting against split ends, breakage, dry hair, scalp irritation and dandruff.

SHINE SHAMPOO is a natural and effective shampoo which gently cleans your hair, whilst promoting long lasting freshness and a velvety sheen.

SHINE SHAMPOO for

- dull • dry • natural curls • permed • bleached • highlighted • tinted
- coloured • fine • normal • strong • long hair
- oily scalp • dry ends • dandruff • skin irritation • hair split.

TIP

If your hair is over approx. 5 cm, it is recommended to use "HYDRO BALM or REPAIR BALM after each wash!

HAIR BUILDER

“ especially for fine hair ”

CERATIN LIQUID for fine and lifeless hair.

This energy conditioner (hairbuilder) is especially designed to strengthen fine and lifeless hair.

Synergetic proteins and highly concentrated hair components penetrate deeply into the hair, and thus systematically build up the hair structure creating a healthy hair.

After the first use you will notice that fine hair becomes strong and is given a sensational volume, bounce, stability and resistance. You can give your hair a perfect and long lasting style with this product...

... This energy spray repairs irregularities of the hair structure, giving your style a strong hold, a lustrous shine and an intensive dense growth without making the hair heavy. Fine hair does not need any additional setting lotion.

CERATIN LIQUID specifically for

- fine
- brittle
- lifeless hair.

STYLING & FINISH

VOLUME SETTING SPRAY
the innovative shine & care setting spray.

This hair spray is made from highly concentrated synergetic proteins and additional natural fixatives to strengthen the hair structure. It gives the hair a sensational bounce, with maximum volume without making the hair sticky. It has the advantage of giving shine and building up the hair.

VOLUME SETTING SPRAY makes it easy to blow dry your hair and increases maximum volume at the roots without making the hair heavy. This results in a long lasting hair style which has a silky shine. It gives permed or natural curls a wonderful form, but can also be used when straightening your hair.

VOLUME SETTING SPRAY can be used with rollers and a hair drier or when naturally drying your hair.

VOLUME SETTING SPRAY for

- every hair.

HAIR REPAIR FLUID

“ extra protection, shine and care ”

HAIR REPAIR FLUID has a unique ingredient composition which makes the hair more dense and strong. Discover the advantages of this sensational serum. Especially, when applied to long damaged hair it becomes easier to comb and soft to the touch.

At the same time, the hair is protected from environmental influences and invasive hair styles . This unique protective serum gives your hair a velvety structure, long lasting freshness, shine and lustre.

HAIR REPAIR FLUID extra protection, shine and care for

- dry • damaged • sun damaged • coloured • tinted • curls
- permed • bleached and highlighted • tangled
- strained • long • lifeless • dull • fine hair
- split ends.

HISTORY AND PHILOSOPHY

Founded in 1980, rémar INTERNATIONAL aimed to use innovative methods to produce a range of new cosmetic products by improving the affect of different ingredients on the body.

The company endeavour to continue this challenging ethic, as our experts incorporate new ideas in our groundbreaking cosmetics.

RESEARCH & DEVELOPMENT

Our primary development is based on aetiology (the study of the origins and causes of skin or hair problems) for which with diligence a perfect solution can be found.

Our developmental philosophy is therefore based on the natural law of cause and effect.

It is essential that our treatments are made from ingredients which are as close to nature as possible. The active agents and botanical extracts which we source world wide are elemental to achieve perfect results.

MANUFACTURE

rémar INTERNATIONAL hair care products are tested and manufactured to the highest scientific standards **to ensure strict standards of quality control and purity.**

Made in Germany.
